The Similarities Between Religion and Philosophy In religion, and even in religious philosophy, reasoned arguments are ultimately traced back to some basic faith in God, gods, or religious principles which have been discovered in some revelation. A separation between the sacred and the profane is something else lacking in philosophy. What is Philosophy? - Queensborough Community College Philosophy seeks after clear enunciation of purpose and values and precise formulation without which human beings encounter a void, feel lost-without purpose or meaning, without a sense of place, without a relation to the rest of the universe. So, Philosophy is an activity of thought, which may become a way of life. Philosophy - Wikipedia This division is not obsolete but has changed. Natural philosophy has split into the various natural sciences, especially astronomy, physics, chemistry, biology, and cosmology. Moral philosophy has birthed the social sciences, but still includes value theory (including aesthetics, ethics, political philosophy, etc.
